- Continuous Learning: Eager to learn and adapt to new technologies

PROJECTS

E-Commerce Website (Lustra Beauty)

Personal project

Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Designed and developed a complete e-commerce website for selling beauty and skincare products.
- Implemented key features including product listings, shopping cart, checkout process, user login/signup, and customer reviews.
- Created a responsive and attractive user interface using a soft pink-themed design consistent across all pages.
- Built a functional admin panel to manage products, orders, customer data, and user reviews.
- Integrated a backend using PHP and MySQL to manage user sessions, cart data, product inventory, and orders efficiently.
- Developed a customer feedback system that allows users to leave reviews with profile images, and provided admin tools for managing submitted reviews.

E-commerce website (Freelancing Platform Website)

Group Project

- Built a responsive freelancing site using HTML, CSS, JavaScript, PHP, and MySQL.
- Developed admin panel for managing users, jobs, and payments.
- Integrated MySQL for handling accounts, roles, messages, and transactions. **Pharmacy pos system**
- Vue.js, Java Script, Tailwind CSS, MongoDB
- Developed a Pharmacy POS system for billing, inventory, and sales management. Included product management, billing, and stock tracking features.
- Designed UI for fast billing and stock management.
- Focused on reducing user errors and improving speed. **Medical center**
- HTML, CSS, PHP, JS, MySQL

- Developed a Medical Center Management System for patient records, appointments, and billing. Included scheduling, patient management, and invoice generation features.
- Designed simple interface for patient and appointment management.
- Focused on usability and clarity. **E-commerce website**
- HTML, CSS, JS, PHP, MySQL | Date Range
- Developed an e-commerce website for online product purchasing.
- Included product listing, cart system, and order management features.

Personal Portfolio Website

- Technologies Used: HTML, CSS, JavaScript
 - Developed a personal portfolio website to showcase projects and skills.
 - Implemented responsive design principles to ensure compatibility across devices.
- Extracurricular Activities**

Class Monitor (2014 – 2015)

- Coordinate communication between Student and faculty.
- Supported peer monitoring and classroom management.

Member, Sinhala Club 2013 - 2018

Member, English Club 2013 - 2018

Certificates

-
- Certificate of Participation – Level Up Your IT Career, ATI Kegalle (2025)
 - Web Design for Beginners – University of Moratuwa (Open UoM) (2025)
